

Application Form for the Poplar Bay Subdivision and Development Appeal Board (SDAB)

How does Poplar Bay balance development with community? With help from people like you.

The Subdivision and Development Appeal Board is a quasi-judicial board that plays an important role in helping Poplar Bay meet its obligations under the *Municipal Government Act*. This board includes public member representatives who hear appeals regarding proposed subdivision of lands or other development activities.

The board meets as required and only if appeals are filed by the proposed land owner or other parties affected by the development. Members are compensated for their time at meetings.

Those who have served on these types of boards before have found it to be a great way to learn more about municipal property development and how various boards and committees support Council.

Board experience is an impressive addition to your resume and can help expand your network.

Interested in becoming a member of the Subdivision and Development Appeal Board? Here is what we look for in a candidate:

- Resident of Poplar Bay
- Keen interest in learning about Poplar Bay's Land Use Bylaw, Municipal Development Plan, as well as the *Municipal Government Act* and other pertinent legislation.
